

## Regarding Standard Patterns

While thoroughly up-to-date in design, they have a simplicity of construction so that a novice in sewing can put them together.

Their seam allowance renders it impossible for anyone to fail in fitting garments, for there is always sufficient margin at the seam edges to permit alteration.

The instructions which accompany the patterns are expressed in clear, brief language, telling all that is necessary, yet not confusing with too much detail. Get a Standard Pattern FREE with the Standard Fashion Book for Autumn.

### The State Fair

may claim a part of your time and attention this week. If you have any spare time you will be well paid by spending that time at our store as the following goods will not all be here next week and here are kinds that you will want some part of. You will want to see our sale on Ladies'

Hand Bags, also our sale of Handkerchiefs, as both are very cheap—less than cost of manufacturer.

#### Ladies' Hand Bags

These Handbags are very much less than cost of making. Some are those that came from our stock, others from a clean-up sale from a manufacturer at a loss and at present prices will be a short story.

One lot of large all leather Bags with large eyelet holes at the top run with cord and have strong leather handles, a good \$1.25 Bag. This week at 75c each.

One lot of box bottom, soft top, all leather Bags in black and tan, this week at 75c each.

One lot of Ooze Leather Handbags in black, tan, brown, green and red, made with new patent frames and have inside pockets, a good value at \$1.25, and a very stylish bag. This week's sale at 75c each.

One lot of School Bags of heavy green cloth with linings and strong tape gathering string, this week for 25c.

Our window is full of these special sale Bags at 75c each.

#### Handkerchiefs

We seldom advertise Handkerchiefs at this time of the year and would not now, only that we have a few kinds that are very cheap.

Ladies' All Pure Linen Hemstitched Handkerchiefs. These are just right for the smaller ones and the price no more than for cotton, only 5c each.

One lot of Ladies' 15c Embroidered and Openwork Handkerchiefs, all fresh and in nice shape, at 10c each.

Gents' all pure Linen Initial Handkerchiefs, our 15c ones, this sale 10c each. Less than manufacturer's price.

Gents' very fine all pure Linen Initial Handkerchiefs in nearly all letters. These we cannot get again and the price is not anywhere near the present cost of manufacture, as you will realize as soon as you see the Handkerchief. Our sale price is 2 for 25c. You ought to buy of these for future use; yes, for Christmas.

#### Dress Goods

Do not forget our Dress Goods sale, for here are special kinds at special prices. We mean that we have bought from a close-out sale the very best style of Dress Goods sold this season, at a sacrifice less than their cost, and now make as good a price to you, and that is not all; we are spicing any Dress Goods that we sell free of charge and you cannot afford to make up any Dress Goods that has not been spiced.

Ask to see our Tricot Flannels in nearly all colors, both plain and snowflake, 25c and 35c values for waists or children's dresses and petticoats, now at 19c per yard.

We make a specialty of 50c Dress Goods and can give you these in all wool in best colors, such as reds, navies, greens and browns, in lots of cloths that are to-day worth a great deal more.

You cannot well afford to pass our newest, latest Dress Goods in patent finish that we are selling this week at 87c and \$1.35. Spicing thrown in to make an extra shopping opportunity.

#### Hosiery and Underwear

You can get lower prices than we can give you on Hosiery and Underwear. But would it not be well to think what has brought Black Cat Hosiery to be the largest hosiery plant of its kind in America? Then, again, Bennington Underwear for real warm, close, well wearing Underwear, has no equal. This comes in both children's and ladies'.

Munsing Union Suits are head and shoulders above other kinds and prices are no more.

We do not have all of the best things, but the above are some of that kind.

Black Cat Hosiery for ladies, misses, children or boys, all sizes, at 25c per pair. Ask to see Children's Winter Hose at 25c. Warmth and wear.

Bennington Underwear for children, nearly all wool, small size, 30c; from that up 50c each size. Ladies' sizes \$1.00 and \$1.50 each.

Munsing Union Suits from \$1.00 to \$3.00 each. Come in lightweight or heavyweight, for fall and winter.
